Dear Dick:

Enclosed are copies of letters from Ralph Frisbie in the Office of the Chancellor of the California State College System indicating interest in the California State Colleges in discussing the possibility of the group membership in ICPR.

We are at a loss concerning the details of ICPR's granting group memberships, notably in the area of costs and service mechanisms. However, we would be very happy to talk this over with you on a pilot basis, if you should be in California in the near future.

Betty Nesvold from San Diego State has taken the initiative in getting this ball rolling. Perhaps we could be the guinea pig for ICPR in working out the arrangements. I believe we will need a little bit more guidance than was provided in your recent memorandum to us on this subject.

Sincerely yours,

R. G. Geisler, Professor
