Dear Gene:

Thank you for your letter of January 28 and the copy of Mr. Frisbie's memorandum. I am delighted and the staff are excited about the possibilities implied in this correspondence. You may be confident that we will be providing you with additional guidance. We look forward to being able to work something out along the lines suggested.

The Council is meeting in a couple of weeks and we hope to hammer out a few more details. However, it is likely that we will not be able to come up with a specific plan without having more precise proposals from potential multi-institutional members. Nevertheless, I will try to give you some additional guidance and, perhaps, we can plan a visit later in the Spring.

Keep up the good work.

Cordially,

Richard I. Hofferbert
Executive Director
