San Diego State University
May 5, 2016**

Keynote Address

A “Taste” of Data Visualization: Why and How to Reduce Chart Clutter

with

Cathy Cirina-Chiu

Managing Director, Social Science Research Lab, SDSU

and

Dipthi Battapadi

Senior Research Assistant & Internship Coordinator

Social Science Research Lab, SDSU

Cathy Cirini-Ahiu received an MA from UC Berkeley and an MPH from SDSU. She has over 15 years of experience providing program evaluation and survey research for Principal Investigators, state and county government agencies, and local non-profits in the areas of in-prison rehabilitative programming, parolee re-entry, health promotion, education, and youth violence prevention. She is a member of the American Evaluation Association

Dipthi Battapadi has been with the SSRL since 2013 . In addition to her regular duties as a senior research associate, she trains and supervises all SSRL research assistants. She is also responsible for overseeing recruitment, selection, and training of all SSRL interns. She received her MA in Communications from SDSU, and is a member of the American Evaluation Association.
