

The California State University

ANNUAL STUDENT RESEARCH CONFERENCE

# STUDENT PERSPECTIVES ON SOCIAL & POLITICAL RESEARCH

May 3, 1984

CAL POLY POMONA

## Program:

Students from many campuses and disciplines will present their original research and ideas on society and politics in a convention setting.

## Purpose:

To encourage and recognize original research at the graduate and undergraduate level.

## Types of Papers:

Papers designed to test hypotheses or develop theory regarding subjects broadly defined as social or political are invited. No preference will be given to papers from students majoring in specific disciplines.

## Entering Papers:

For information regarding submission of papers, see:

## Sponsored by:

The California State University  
SOCIAL SCIENCE RESEARCH AND INSTRUCTIONAL COUNCIL

POLITICAL SCIENCE CLUB
