

S⁴ Social Science Student Symposium

THURSDAY, MAY 5, 2016
San Diego State University

Registration
Extended to
Monday, April 11th
at Noon!

Who can participate? All undergraduate and graduate students, from all CSU campuses and community colleges, doing research in any social science field.

What is it? An opportunity to present your research to your peers and compete for a cash award. Presentations will be approximately 15 minutes. There will be three \$5,000 awards for best undergraduate paper, best graduate paper, and best use of quantitative data in a paper.

How do I participate? If you want to compete for one of the cash awards you have to submit a full paper (maximum 20 pages). To present your research but not compete for an award, you just need to submit an abstract.
