

45th Annual Social Science Student Symposium

Conference Program May 7, 2020

The **45th Annual Social Science Student Symposium** (S4) will be held online. This conference, brought to you by the Social Science Research and Instructional Council (SSRIC), features presentations from 51 students from across the CSU campuses, in 13 concurrent sessions. In addition to brief welcome and awards sessions, this year's conference also features a faculty panel on online teaching methods.

How to participate?

Please install Zoom software prior to the start of the conference. Call-in and browser options will be available as back up options for accessing the sessions. Registered participants will be emailed a program which will include links to all of the sessions the night before the conference (May 6th at 6p.m.) Thank you for helping us prevent unauthorized participants from accessing the sessions by not sharing or posting these links.

Please send any questions or comments to: matthew.holian@sjsu.edu
